Refocus Our Mission

The Supreme leaders of our Order have asked us to refocus our mission on evangelization.

As Knights and lay leaders, we must model the call of all the baptized to participate in the Church's mission of evangelization.

Patrick Kelly
Supreme Knight

Knights must be First in Faith as they are First in Charity.

Patrick Kelly
Supreme Knight

Faith leads to Charity, and the witness of Charity leads to Faith.

Every man is called to holiness. Every man is on a journey to get there, to know, love and imitate Jesus, so he can be a more faithful husband, father, friend and brother to the ones he loves.
Let us do it together.

State Council

Create an inviting environment in the council for Catholic men searching for something deeper and more meaningful in their lives.

Plan and implement Cor and make it a priority wherever possible.

Make every council program or event an intentional opportunity for men and their families to encounter Jesus Christ and grow in faith and virtue.

Make the appointment of a Council EFF Director a priority and complete submission form. (GKs also complete Annual EFF/Cor Survey)

Involve the chaplain or pastor in any evangelization and faith formation planning and event.
